YOUR 1935 Cauldron is a pictorial review of the collegiate history of the past year. Throughout its making the editors have attempted to produce a chronicle that would prove to be interesting and attractive. More especially for the Seniors, we trust that Volume XIV will never cease to be a treasure-house of memories of by-gone days.

If this Cauldron is now accepted with but a fraction of the pride and pleasure which the Board has experienced in its creation, we shall feel that our work has been well repaid.

FOREWORD

TO

GERALD RUSSELL TATTON

the Class of nineteen hundred and thirty-five dedicates Volume XIV of the Cauldron, in appreciation of his leadership for five years as Faculty Adviser

Gerald R. Tatton

A T I O N

A GRATEFUL expression of thanks is here tendered by the Editors to Professor Everett C. Marston, for his unerring guidance and coöperation while this Volume of the Cauldron was being produced.

Acknowledgment is given also to the following persons whose assistance has greatly facilitated in making the book possible—For generous and helpful suggestions in the design and layout of Volume XIV to Mr. Russell C. Knight, Mr. Dino G. Valz, and Mr. Franklin Waid—For the splendid photography of the division-page motifs, to Mr. Saverio Zuffanti—For assembling and typing, to Miss Dorothy Mack—For much valuable and necessary information, to Professor William C. White, and Mr. George R. Fennell—For coöperation and assistance, to the offices of the Department of Student Activities and the Student Union.

SENIOR WEEK COMMITTEE

IN the fall of 1930, four hundred and nine high school graduates, representing ten states and three foreign countries, wended their expectant way to Northeastern University. Three eventful days—being photographed, buying books, receiving the Red Cap of Inexperience—and the first contingent of the Class of 1935 had officially arrived.

The *News*, that pompous organ of student opinion, solemnly exhorted the newcomers:

> "Freshmen, you are entering on your most important year at college. A statement such as that might be challenged after a superficial glance, but it is nevertheless true. As you advance in years at Northeastern, you will realize its *credulity*."

And the credulous Class of 1935 earnestly girded up its metaphorical and respective loins.

The paternal Student Union gave a reception to the freshmen, regarding which the omniscient *News* reports: "The first number on the program was a serenade by a brass quartet consisting of three members of the band."

United in battle for the first time, the Division A section of the Class of 1935 was defeated in the Freshman-Sophomore rush. But the Division B contingent—three hundred strong (and numbering this not so humble author in its midst)—gloriously vindicated the Class of 1935 by an overwhelming victory (450-100) over the luckless sophomores.

The first year of the Class of 1935 at Northeastern was distinguished by the number of social events which timorous freshmen did *not* attend. The Freshman Valentine Dance, however, attracted over 175 couples—which number, it is not unreasonable to hope, included some freshmen.

In the middle of the year, Husky disappeared! And the Class of 1935 joined in the school's collective sigh of relief when, after a week of broadcasting, searching, and reward-offering, the University mascot was found.

Field Day was the culminating glory of the year for the Class of 1935. It received the colors of the graduating senior class with impressive ceremony, and defeated the sophomores in the baseball game with an equally impressive lack of ceremony.

Then came Vacation—with work for some, idleness for others, and anticipation of the forthcoming years for all.

Returning to the University as sardonic sophomores, the Class of 1935 swamped the incoming freshmen in both rushes by scores of 360-40 and 400-50.

And now, having solved the intricate mysteries of the Huntington Building corridors, the Class sought new fields to conquer. "Activities" reared its Hydra-head. Thirty-fivers joined fraternities, high school clubs, varsity sports, the musical organizations, the Student Union, the *News*. The Class of 1935 was taking its place in Northeastern's social life.

Vacation hurried on to give the Class respite from the assiduous labors of the year.

With the coming of fall of 1932, the Class of 1935 filled out the innumerable registration cards, and wondered: "What are we going to be called this year? Intermediates? Middlemen? Middlers?" And Middlers, among other things, they were called.

In the Class annals, this third year is called the Peaceful Year. Graduation was as far off as the momentous day when the red caps were first donned. Hoover, in a *News* straw ballot, had a majority of one hundred over Roosevelt. Husky won three prizes in a dog show. The Business Administration Laboratory was inaugurated. And "those young freshmen" won three out of their four football games by shut-out scores. "Maybe we'll have varsity football next year."

Vacation, that pleasant interim of suspended animation, came and went. The Class of 1935 viewed with some reserve the innovation of the Student Union Freshman Camp. One member of the Class, a typically conservative Junior, muttered sombrely something about ". . . coddling the infants!"

The Class of 1935 looked with favor upon the founding of a Coaching School, the proposed creation of a School of Arts and Sciences, and the hint of new buildings for the University. "After due consideration," remarked one representative of the Class, "I think I shall make a contribution to the University—as soon as I have amassed my first million."

The *News* provided two items of unusual interest that year. It printed a series of articles on Northeastern's faculty members; a psychographical background was built up to explain their eccentricities, and the Class of 1935 saw its instructors in a more instructive light. Then the *News* published a rosy April Fool issue which disappeared from circulation with suspicious rapidity. There were wild rumors about banning and banishment—but "the tumult and the shouting died."

The F.E.R.A. made its appearance at Northeastern. Students were sweeping floors, whitewashing ceilings, correcting papers—and the Class of 1935 saw government take a place in college education.

"The gala event of the year"—as iterated and reiterated by the *News*—was the Junior Prom, conducted with some success by the Class of 1935. No untoward incidents were recorded, but the unaccustomed wearing of formal dress left a distinct impress on those who attended; the spirit of Beacon Hill, so to speak, reigned for a while on Huntington Avenue. One tardy junior, for instance, actually bowed suavely when greeted ironically by Professor Estes in the Psychology class.

When vacation, with its dark forebodings of thesis trouble, was over, the Class of 1935 came back—the Senior Class at Northeastern University. This was the last time it would fill out those interminable registration cards. This was the last year it would grin condescendingly as a band of sophomores invited some hapless freshmen to sing "Alma Mater." This was the last year it would storm the *News* office for the paper on Friday afternoons, the last year it would sit in joyous conclave at class and mass meetings.

At the present moment we of the Class of 1935 are in the middle of our last year at Northeastern. Already we are beginning to edge out of activities, making way for the newcomers. Soon there will be the Last Class. Then will come Senior Week and—Commencement. Of the seven hundred odd who started out so eagerly back in 1930 only three hundred will receive the diplomas that mark them of the Class of 1935, united by a bond which five years at Northeastern has forged.

* * * *

But this is not the History of the Class of 1935—this is only the record of its birth. When, say thirty years hence, some one more able than this author writes the real History of the Class of 1935, who can tell what notable deeds it will detail?

FOOTBALL

THE autumn of 1934 found Northeastern entering its second year of competition in intercollegiate football. At the start of the season, prospects were not of a distinctly rosy hue. However, augmented by several outstanding recruits from last year's frosh outfit, the Huskies consistently presented a powerfully aggressive offense. Coach Al McCoy performed a distinctly creditable job by instilling his men with enough confidence to combat the attacks of "buck-fever" so prevalent during the 1933 season.

In the opening encounter of the season, American International College of Springfield travelled to Huntington Field and was sent home on the tail-end of a 27-6 score. At no time during the skirmish was the outcome in doubt. Northeastern's attack, with Hart, Hakanson, Cahoon, Mayberry, Pelletier, and Fraser furnishing the fireworks on the offense, was able to sweep the heavier Internats before them.

During the first quarter of the game, N. U. managed to drive to A. I. C.'s five-yard line on three different occasions, but each time the Aminco's forward wall rose up like a rock out of the sea to repulse the eager Huskies enjoying their maiden voyage of the year.

Soon after the start of the second half, Jay Hart, who punted beautifully and accurately all afternoon despite the driving rain that fell during proceedings, got off a kick that was downed on the Aminco's five-yard line. With their backs to the wall, Paddy Lavin wisely selected to punt out of danger; however, before he was able to get the rain-soaked ball safely away, big Joe Chrusz crashed through the

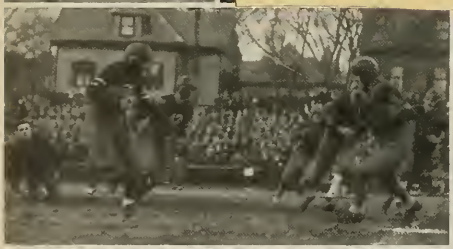
A. I. C. managed to salvage a touchdown out of the defeat by blocking a Husky punt late in the fourth period. Blaisdell blocked the kick, picked up the ball, and trudged his way across the pay-off line. The rusher's attempt for the extra point proved of no avail.

For its second encounter of the season, the Huskies journeyed down to the hills of southwestern New York where they stacked up against a light but exceedingly deceptive Alfred University eleven. This game marked the Red and Black's first exhibition under floodlights. Northeastern, as had been the habit in all its preceding collegiate encounters, managed to tally the first touchdown of the game. The Huskies had gained possession of the oval on their opponent's twenty-six yard line. Ray



Pelletier gained ten yards on an off-tackle jaunt. After the next two attempts had failed to move the ball past the Saxon's stalwart forward wall, Ray faded back to pass; but with no one in position to receive the toss, he took it upon his own shoulders to skip and dance through the entire Alfred team for the opening score of the game. It was on occasions such as these that Pelletier proved his outstanding worth to the Huskies. Jay Hart brought the count to 7-0 by successfully booting the ball between the uprights.

Alfred tied the score on a Clark to Adessa aerial that was caught by the latter on the Red and Black 20-yard line. Adessa shook off three would-be tacklers on his journey to the goal-line. The fighting Saxons went into the lead in the third period after a sustained drive in which Hodges and Boylan operated as spearheads with the latter racing twenty-two yards to a score.

During the last three minutes of the game the Huskies came to life with a vengeance. Taking the ball on their own forty-three yard line, the Red and Black, with Cahoon zipping off the tackles and Pelletier tossing accurate passes, managed to work the ball down to Alfred's three-yard stripe. After two plunges had found the Saxon line unyielding, Hart dove through a small opening in the forward wall to tally the touchdown that tied up the game at 13-13. The point after touchdown, which would have meant victory for the snarling Huskies, failed of conversion.

Athletic rivalry between Northeastern and Rhode Island State dates back to 1921, but the fall of 1934 saw these worthy rivals meet for the first time on the gridiron. The Huskies entered the game as decided underdogs in the betting but this fact did not deter the lads from completely outplaying the Rams in all departments of the game and emerging on the long end of a 6-0 score. The lone touchdown of the encounter was made at the start of the second quarter. Bill Benjamin broke through to block an attempted kick by Mudge; "Poppa" Chrusz pounced upon the loose pigskin on Little Rhody's 10-yard line. It took the Red and Black just four plays to carry the ball across the goal-line. A pass from Mayberry to Pelletier was the play that provided the margin of victory.

Despite the heavy snowfall that fell uninterruptedly all during the game, over five hundred N. U. adherents journeyed to Kingston and cheered the Huskies on to victory. At the conclusion of the encounter, the joyous Husky rooters ripped down one of the goal posts and brought it back to Boston as a souvenir. The post was shaved into small splinters and these were passed out to all in attendance at the annual Football Dance.

Playing on foreign soil for the third consecutive week-end, the Huskies kept their slate clean by defeating the Colby Mules at Waterville, Maine. The final score of 13-6 was no accurate measure of how much the Red and Black eleven outplayed a somewhat listless Colby outfit. For the third straight Saturday Ray Pelletier led the Husky parade. After Northeastern had received a poor Mule punt in the latter's territory, Pelletier swung into action with a series of rapier-like line thrusts that finally carried him across for the first touchdown of the game. The try for point was blocked.

Colby tied the count in the fourth quarter on a pass from Yadwinski to Kivi. A low pass from center nullified any attempt to kick the point after Northeastern was undaunted at this change of affairs; with the aid of some fine running by Mayberry and Pelletier plus the potent bucking of Hart, the Huskies deposited the leather on Colby's 20-yard marker. Here the consistently effective Mayberry-to-Pelletier passing combination swung into action and Ray crossed the goal-line without a hand touching him. A pass from Pelletier to Mitchell converted the extra point.

After three consecutive weeks away from home, the Huskies came back to their native stamping ground to hang a 26-0 defeat on a game but distinctly outclassed eleven from Lowell Textile. The visitors succeeded in keeping the score down during the first two periods but their lack of capable reserve strength enabled the Red and Black to ride rough-shod over them during the final two periods. Jay Hart tallied the first score for the locals in the second quarter when he took a Textile punt on the latter's 27-yard line and sped over the white stripes to a touchdown. After Morse had recovered an attempted Lowell forward-lateral on the Textile 23-yard line, Hart and Hakanson combined in the ball-carrying role with "Hackettstown" Jay finally touching the oval back of the goal-posts. Pete Yesikenas intercepted a Lowell pass on their 45-yard line and trundled thirty-five yards before he was brought to a halt. On the next play, Hakanson, with the aid of some well-timed blocking on the part of Dick Mitchell, succeeded in circling left-end for a touchdown. A Hart to Benjamin pass scored the extra point. "Hack" duplicated his first end run a few minutes later; this time on a play that started at the Lowell 20-yard line. Hart booted the extra point to make the final score read 26-0 for the Huskies.

Pelletier did not play. His critical condition commenced the morning of the day on which this game was played.

Suffering from an epidemic of injuries plus an utter lack of reserves, the gallant little band of Terriers from Arnold College proved to be no match for the powerful Huskies. The Red and Black gridsters romped over the Kent Street turf at will to ring up a decisive 31-6 victory over the lads from New Haven. With Pelletier still on the hospital list, Jay Hart took over the Salem boy's duties and gave a fine exhibition of running, punting, and passing all during the afternoon. Stew Mayberry tallied the first score for the Huskies on a five-yard plunge through the line. Hart made good on the try for the extra point. After Bill Benjamin had recovered an attempted Arnold lateral on the latter's 15-yard line, Hakanson carried the pigskin to the five-yard stripe on an off-tackle sprint and Hart rang up the second touchdown with a dive throu[illegible] not converted. back was carried off the field in a semi-paralyzed state. The Arnold boy died a week after the game in a local hospital.

Handicapped psychologically by the thoughts of two shocking deaths to football stars that had occurred only a few days before the game, Northeastern's previously undefeated Huskies bowed to a Massachusetts State team that took apt advantage of every break. The final score of 37-0 is no true indication of what really ensued on Alumni Field in Amherst that afternoon. It is the opinion of many experts that under normal mental conditions the result would have been far more favorable to Northeastern adherents.

Taking advantage of a fumble deep in Husky territory, the Staters pushed over their first touchdown at the start of the second quarter with Koenig carrying the ball. Towards the end of the first half, Mayberry was forced to get off a hurried pass; Peterson easily intercepted the floating oval and scampered unmolested to a second touchdown. Both tries at conversion failed.

After a series of rushes in the third quarter with Murphy and Filipkowski alternating in lugging the leather, the latter finally carried the ball across from the one-yard line for State's third score. The try for point again failed. After another wayward pass had been intercepted by Filipkowski, Murphy put on the finishing touch by romping across from the two-yard line for the fourth touchdown of the afternoon. Murphy made a second tally a few minutes later when he cut off tackle, eluded several half-hearted attempts at tackles by the Husky secondary and romped unmolested over 28 yards of turf for the score. The final touchdown of the afternoon was again made by the nemesis in State's clothing, Freddie Murphy. After intercepting one of "Scooter" Cahoon's heaves on the Red and Black 35-yard line, it took him just four plays to carry the ball across the final white line.

Before a Homecoming Day throng of 4800, Northeastern closed a highly successful gridiron campaign by trouncing a scrappy bunch of Horsemen from Norwich University by the score of 24-7. "Scooter" Cahoon was the star of the contest. He scored two of the Husky touchdowns and in addition ran Norwich's defense ragged by means of some scintillating end-sweeps. He tallied first on a three-yard end run after the Huskies had taken the ball down the field in a sustained drive that began at mid-field. A beautifully executed center alley pass caught the Horsemen secondary napping; Fraser completed the toss from Mayberry and galloped across the goal-line without a hand being laid on him. In the third quarter, Cahoon again tore around right end from the Norwich 10-yard marker for the third Husky tally of the contest. After two potent plunges by Mahaffey, the Argyle Gargyle, had netted 27 yards, Jay Hart broke through a wide cavity in Norwich's forward wall and sped 20 yards for the fourth Husky tally of the afternoon. All four attempts at converting the extra point proved to be failures.

Norwich scored its lone touchdown by means of a neat pass from Hicks to Hatfield; the latter received the toss on Northeastern 28-yard line and zig-zagged his way over the goal-line. A Hicks to Habicht pass was good for the extra point.

BASKETBALL

SHOWING unusual strength and aggressiveness in offensive and defensive play, the '34-'35 Husky basketball quintet swung into action on December 8 by defeating a powerful Brown aggregation 34-24 at the Johnson Memorial Gym. The Huskies swept into an early lead, and held it during the remainder of the game. Captain Heath Morse, Rice, and Barone were the high scorers for the home team while Kennedy of Brown starred for the visitors.

On December 15, the Huskies journeyed to Worcester where they hung up their second straight victory by defeating Clark, 32 to 20 in a rather slow but interesting encounter. Clark, like Brown, was unable to figure out Northeastern's speedy and puzzling passing attack, but they presented a zone defense that all but broke up the Husky scoring attack. Clark was unable to score a single field goal in the first half and succeeded in caging only four points in fouls. Bialkowski and Melville were Northeastern's high scorers with seven tallies each.

Staging a spectacular second-half rally, featured by the brilliant passing and shooting of Morse and Melville, the Husky varsity basketeers came from behind to chalk up their third consecutive victory by downing a strong Alumni five, 32 to 31, at the "Y" gym on January 5. The varsity got off to a slow start and allowed the Alumni to build up a five-point lead during the first half as Herb Tiffany of the graduates, a former basketball, baseball, and soccer star for the Huskies, went on a scoring spree. Herb chalked up five of the eight goals made by his team and caged three points on fouls out of a team total of five. The second half was a different story, however, as the Huskies scored fifteen points before the Alumni could add a point to their total, and the graduates found themselves eleven points behind as the final gun barked.

On January 9, the Husky team had its first taste of defeat when it lost 44 to 43, to Little Rhody at Kingston. The Red and Black held their mid-game lead until late in the last period when Merton Rice, high scorer of the evening, was forced out on fouls.

A capacity crowd of Husky rooters saw defeat number two pinned on the home team as a smooth and fast Middlebury five took advantage of Northeastern's fumbles and fouls on December 12, at the "Y". The Huskies got off to a slow start and the visitors piled up a lead that could not be overtaken despite the surprising reversal of form which the home team displayed in the second half surge. Without a field goal to their credit, and trailing the Panthers 23-4, the Huskies came back in the third period with a savage rally that was effective in cutting the visitors' lead down to six points so that the score stood at 41 to 35, before the final gun barked.

Northeastern dropped its third straight game of the season to a powerful University of New Hampshire quintet at Durham on January 19, 45 to 20. The small gym and slippery floor seemed to slow up the Huskies. At the half the Wildcats led 19 to 9 and at the gun they were 25 points ahead. Bronstein and Walker of New Hampshire accounted for 23 points, while Captain Heath Morse and Al Melville were the high scorers for Northeastern. Ted Bialkowski, regular right guard,

J. C. RIZYA '36

was back in his old position and showed up well despite a two-week layoff because of an injured wrist.

The Huskies took their fourth loss when they met a hard-fighting Jumbo aggregation on the home court on January 26. The Tufts team showing grit and determination throughout the contest, was the first Jumbo quintet to defeat a team coached by Al McCoy. Trailing in the second half by nine points, Northeastern's hoopmen fought their way to a 30-30 tie as the end of the game drew near. With only a minute left to play, Grinnell and Kavanaugh scored with a foul and field goal to give Tufts a 33-30 victory.

On the following Friday Northeastern came back into the winning column by bowing the Pratt Institute basketeers 28 to 23 in a fast and exciting game played on the Institute's court in Brooklyn, New York.

After making a sensational comeback in the second half of a thrilling battle, Northeastern's fighting quintet fell before the onslaught of Lowell Textile by the slim margin of two points at the Johnson Memorial Gym on Saturday night, February 9.

One week later, Springfield College staged a great uphill battle to defeat Northeastern 32-25. While piling up 15 points, the Huskies held the Gymnasts scoreless for the first ten minutes. Springfield opened up in the second half with a splendid performance that brought them up to the short end of an 18 to 17 score and then to the long end of a 28 to 25 score as the clock showed one minute to play. Two floor goals by Partel and Morris gave the gymnasts the game at 32-25.

After holding Rhode Island State on even terms for the first quarter, a fighting Husky quintet bowed before a fast-traveling Rhody outfit, 33 to 21, at the "Y" gym on February 23. All hopes of staging a last-minute comeback were banished as four of the starting players left the game via the four-foul route.

On February 27, the Red and Black defeated the veteran Tufts quintet 38 to 37 in a thrill-packed game at the Tufts gymnasium in Medford. With but ten seconds to play and the score 37 to 36 in favor of the Jumbos, Captain Heath Morse stole the ball, dribbled the entire length of the court, eluded the Tufts defense, and flipped the ball through the strings with a neat over-hand hook shot to win the game for the visitors by a one-point margin.

Northeastern capped its season with a well-earned victory over Worcester Tech, 40-35. The Huskies trailed for fully three-fourths of the tilt, but started firing from long range and caught up to and passed their hosts mid-way through the second half. Morse and Rice were Northeastern mainstays, uncorking effective shots from all angles.

HOCKEY

WITH about thirty aspirants reporting to Coach H. Nelson Raymond on November 20, the sixth season of Northeastern intercollegiate hockey got under way. Faced with the gaping vacancies left by Gallagher, Denton, Dondero, Furdon, Irving, and Johnson, Coach Raymond did a commendable job in whipping into shape a sextet that was batting a 267 and boasting 41 points against their opponents' 34 when the curtain fell on the season.

On Friday, December 14, Northeastern opened with Boston College at the Arena and went down to a 5-4 defeat. Northeastern started the scoring when Dan Callahan took a pass from Johnny Bialek and sunk it after a little over three minutes of play. Both teams were evenly matched and both took turns at forcing. The third stanza saw Captain Ken Cahoon drive down the ice on a solo dash and after much fighting near the cage poke one home by the Eagle goalie to tie up the count at four all. It looked as if the game would go into an overtime period as the fourth stanza progressed but Conlin of B. C. shot the puck off a Northeastern player's skate to score the final and deciding marker in favor of the boys from the Heights.

One week later Northeastern again fell a one-point victim to Boston College after playing a game—one of the most exciting and closest of the season—that ended 3-2. The Eagles took an early lead on Conlin's goal in the opening period and held on despite the desperate attacks of the Red and Black. Charley Letourneau and Johnny Bialek dented the strings in the first period for Northeastern's only two tallies of the game. Bill Dingwell, veteran Husky goalie, starred for N. U. with his brilliant saves as he was peppered with shots from all angles.

Northeastern's third defeat came on the following Tuesday when the Brown Bear chalked up eight against the Huskies' five at Providence. In the first period both teams scored twice, three of the four goals being caged within 60 seconds with breath-taking suddenness as each team tried to catch the other unaware. Captain Cahoon opened the scoring for the visitors by taking a pass from Bialek and flicking the puck past Skillings, Brown goalie. Cahoon shone for N. U., accounting for four out of the five Husky tallies. Butler featured for Brown by beating Dingwell at the strings four times to equal Cahoon's scoring record.

Pounding home three goals in less than five minutes in the second period, the Bruin sextet piled up a lead which proved too much for the Northeastern six to overtake at the Boston Arena one week later, and the Bears left their hosts holding the short end of a 4-2 score. Two of the three Brown goals in the second canto came with Chick Bergamini, stellar Husky defenseman, in the penalty box. Bill Dingwell starred again at the Red and Black net. Johnny Bialek took the puck on a pass from Cahoon and sent it by Skillings to hang up the first Northeastern marker.

On January 21, Northeastern's pucksters made their mark on the winning column for the first time by drubbing the Massachusetts State outfit, 7 to 2, before some 800 students at the Arena. The Staters drew first blood when Weber raced down the ice and passed to Bull who shot it through Dingwell in the first period. Raymond sent the puck into the Stater's strings on an assist from Cahoon and then

Callahan on the next face-off outskated the visitors and flipped the puck over to Letourneau who made a spectacular back-hand shot to bring the score to Northeastern 2, Massachusetts State 1. The visitors' second and last tally came when Corcoran scored from in front of the net as Kussmaul was keeping Letourneau company in the penalty box. In the third period Dingwell made a spectacular and difficult save by sitting on the puck, as the Staters made a desperate attempt to score. Letourneau made the most thrilling solo of the game in the third stanza as he picked up a loose puck in front of the Husky goal and skated through the entire State team to chalk another one up for Northeastern.

Northeastern continued to stay in the winning column by easily defeating the University of New Hampshire pucksters 7-3 on the Arena ice on Thursday, January 31. Smooth and accurate shooting proved too much for the Wildcat skaters from Durham. Weakened by the loss of Co-Captain Jim Steffey, who was out because of a leg injury received in a previous game, the New Hampshire pucksters at no time seriously threatened to overtake the two-goal lead that the Huskies caged in the first few minutes of play.

On Friday, February 8, Northeastern's sextet journeyed to Durham, New Hampshire to meet the Wildcats again, and lost a hard-fought game, 6-5, after playing two overtime periods. Handicapped by the absence of their captain, Ken Cahoon, and by injuries to the fast-skating Bialek and the hefty Bergamini, the Varsity gave a good account of themselves and pushed their hosts to the limit throughout the game. Callahan opened the scoring for the visitors at 5.50 and Farineau stole through the Wildcat defense to dent the strings for N. U.'s second marker. Bill Facey, formerly of Northeastern, was New Hampshire's Big Gun, scoring three goals within seven minutes of the second canto.

In the last game of the season on Saturday, February 16, the Huskies trounced the Bowdoin outfit by the overwhelming score of 9-3. Ralph Raymond and Johnny Bialek were the head men in the Husky attack but both lines shared the glory in this wide-open game in which Northeastern tallied five points in the first period. The Polar Bears played a decidedly defensive game all the last period and kept the Huskies from scoring until at the very end Charlie Radden scored on an assist from Letourneau as the game closed with the Red and Black leading 9-3.

NORTHEASTERN opened its indoor track season with the annual Fall Handicap Meet. Captain Roger Hadley featured by showing remarkable pre-season form in heaving the 35-pound weight to a new Northeastern record of 45 feet, 10½ inches. Everett Eldredge, starting from scratch, finished far ahead of the rest of the field in the 300, completing the distance in 36 seconds flat.

On January 19 the track men met Brown at Providence and for the fourth consecutive year displayed their supremacy by trouncing the Bears. The Huskies succeeded in capturing first place in every event of the meet but one, to come out on the long end of a 66-12 score. Jim Sandler, crack high jumper, just fell short of breaking the Brown record of 6 feet, 1⅞ inches by soaring to 6 feet, 1½ inches. Eldredge was the only double winner of the day, taking both the 45-yard dash and the 600-yard run. Al Hakanson, however, was the high scorer and took first place in the 300-yard run and second in both the 45-yard dash and 45-yard high hurdles for a total of 11 points. The Huskies made a clean sweep of the 45-yard high hurdles and the shot put, and placed two men in each of the other events. Ray Henderson, sophomore timber topper, led both Hakanson and McCarthy over the hurdles to break the tape in six seconds. The final event of the meet was just another romp for the Huskies with Captain Roger Hadley, Canney, and Herb Becherman taking every point in the shot put.

By defeating the crack Manhattan baton passers in 3 minutes and 28 seconds on the following Saturday at the Prout Games in the Boston Garden, the Husky relay team, consisting of Hakanson, Tuscher, Ellis and Eldredge, turned in the fastest mile relay time of the evening and avenged their last year's defeat. Hakanson established a lead of two yards over Morrisey, of Manhattan, which Tuscher found difficult to maintain. He remained out in front, however, to pass a yard lead to Dick Ellis who added three more yards to give Eldredge, the Husky anchor, a five-yard advantage. Eldredge held his own and outsprinted Wolf, of Manhattan, on the home stretch to cross the line five yards out in front. Red Sandler jumped 6 feet 2 inches to place in a four-man tie for second place in the high jump. The two-mile quartet did not fare as well, finishing sixth in a field of seven teams.

By virtue of their fine showing at the Garden, the mile relay team was invited to the Millrose Games at the Madison Square Gardens where they were matched against the fastest teams in the East. Although they were running against such stellar teams as Holy Cross, Manhattan, and Indiana, the Huskies placed third and turned in the fastest time ever chalked up by a Red and Black mile foursome. They were clocked at 3 minutes 24 seconds which was the third best time of the night.

On February 9 the now famous relay team met New York University in one of the featured races at the B. A. A. Games at the Garden. Running true to form they defeated the New Yorkers and tied with Holy Cross at 3 minutes, 27 2-5 seconds for the best time of the night. Al Hakanson, lead-off man, got the jump on Mieke, of New York, and increased his lead with every stride until at the end of his leg he had piled up a ten-yard lead which he handed over to Tuscher, who doubled this lead. Dick Ellis started off the third lap with a twenty-yard lead, adding two more yards against the highly touted Bernstein of New York. Anchor man Everett Eldredge continued to add to the yardage and finished a full quarter of a lap ahead of Friedman. Red Sandler's jumping gave him a tie for third place with Osborn, of Philadelphia, at six feet.

The fast-stepping relay team continuing in their meteoric path, broke all meet, school, and season records by defeating the Holy Cross quartet in the most sensational victory of the evening at the New England Intercollegiate Games conducted by the University Club at the Boston Garden on February 16. The time of 3 minutes, 25 2-5 seconds was both a new Northeastern and a new University Club record. Al Hakanson was outdistanced on the first leg by Feeley, the flying Crusader, who passed his baton to Murphy with a neat ten-yard lead. Murphy leaped ahead on the next lap with Tuscher right behind him. Hakanson's clean pass to Tuscher had cut down the lead to about seven yards and "Tusch" held his own all the way around. Tuscher gained a few yards on the back stretch and held on to them despite Murphy's home stretch sprint. The Huskies again gained a yard on the pass and Ellis flew after Graham a scant three yards in the rear. Dick threatened to pass twice during the first two rounds but Graham sprinted to the corners and held his lead. On the home stretch, however, Ellis would not be denied and in a

Eldredge, Ellis, Tuscher, Hakanson

final burst of speed nosed by the Purple runner to hand Eldredge, the Husky anchor a two-yard advantage. Eldredge had his round all his own way, successfully outsprinting Casey on every stretch. On the final straight-away Everett opened up with his usual spurt to break through the worsted a good five yards ahead of Casey. Red Sandler, Northeastern's New England Intercollegiate outdoor high jump champion, copped the indoor championship by leaping 6 feet, $3\frac{1}{16}$ inches, a new college and meet record. Ray Henderson, who finished fourth in the 45-yard hurdles was the only other Northeastern man to place.

At the I. C. A. A. A. A. Games in New York the following week, the Huskies got their first bad break of the season. In the trials the mile team was practically assured of a second place. Eldredge was rounding the last corner with a good lead on the Princeton runner when he mistook a line half way down the stretch as the finish line and stopped, allowing the Princeton man to cross the line head of him. This automatically barred the team from competing in the finals. Red Sandler also had an off night and dropped out of the competition at 6 feet, 2 inches.

With the Bates dual meet and all of the spring outdoor season still before them, the squad should add another distinguished year to the track history of Northeastern.

CROSS COUNTRY

FACING a much stiffer schedule than ever attempted before, Coach Clarence J. McIntire started his varsity harriers working on the opening day of practice in preparation for the opening meet with Connecticut State. Five lettermen from the 1933 cross country team—Captain-elect Dick Stimpson, Leon Sudrabin, Will Perry, Al Lengel, and Art Robak—formed an excellent nucleus about which Coach McIntire hoped to build a winning team. Art Johnston, who had placed second in the Frosh N. E. I. A. A. the previous season, was the most promising recruit from the freshman team.

After a long strenuous period of faithful training, the Husky distance men were prepared to meet their Connecticut State rivals. Wallowing through a virtual swamp at Franklin Field, caused by a driving rain, the Huskies followed out their early-season predictions and nosed out the strong Connecticut team by the small margin of 27-28. Art Johnston, running his first varsity race, led his teammates throughout the entire distance and finished in second place. Captain Stimpson and Perry, finishing in fourth and fifth place, clinched the victory for the Red and Black.

Running over a course shortened by poor weather conditions, the hill-and-dalers fell before an undefeated Massachusetts State squad, 22-33, at Franklin Field. Three of the Staters finished in a tie for first place and Lengel, Johnston, and Stimpson finished in that order for the Huskies.

The team jumped back into the winning column in a big way by defeating Bates and Colby in a triangular meet at Lewiston. The Huskies got off to a good start and held together for the first half mile. Vesey, of Colby, however, successfully broke up the combination by sprinting ahead of Johnston, the Northeastern leader, who finished in second place. The most thrilling part of the entire race was furnished by Willard Perry who staged a spectacular home-stretch sprint to pass two Bates runners and finished in eighth place. The final count gave Northeastern 34 points, Bates 39, and Colby 58.

Spurred on by their fine showing against their Maine competitors, the Huskies entered eighteen varsity men in the Harvard Open Cross Country Championship run at Cambridge. Setting the pace for the entire 120 starters over most of the course, Art Johnston and Al Lengel paved the way for their team to finish in third place. They led the field from the crack of the gun and were not overtaken until the home stretch was reached where Hutchinson, the ace harrier from Bowdoin, and the New Hampshire flash, Irving, succeeded in passing them. Robak, Perry, and Sudrabin completed the team points.

Matched against the finest distance men in the East, the Huskies were able to take seventh place in the New England Intercollegiate Championships at Franklin Field. The competition was pretty stiff for the Red and Black, both from the biting wind and the opposing teams. Art Johnston, consistent winner, was the first Northeastern man in. By finishing in eighth place, Johnston equalled the record set in 1931 by Captain Bob Greenleaf, who made the best showing of any Northeastern man in this meet. Captain Stimpson, hindered throughout the season by a split muscle, was the second Husky to finish. Tatel, Robak, and Perry finished next in order, to complete the team score.

BASEBALL

WINNING twelve out of their fourteen starts, the Husky nine, captained by the modest Ned Murray of Woburn and coached by the genial Al McCoy, climbed to first place in Eastern intercollegiate baseball circles. By scoring 119 runs to their opponents' 50 and setting up a record of eleven straight wins, the Red and Black ball team turned out the most sensational season in Northeastern diamond history. The only two aggregations to bow N. U. were Rhode Island and Boston College, the former defeat being avenged in a later encounter.

Northeastern opened the season by trimming the Brown Bears 13-7 after a regular slugfest on a cold and rainy Wednesday afternoon, April 11, at Huntington Field. Ken Cahoon, playing his first baseball game for N. U., was the star of the contest, getting five hits out of as many trips to the plate.

Three days after the rout of the Bruin batsters the Huskies dropped two hard-fought games, to Little Rhody and Boston College, for the only two defeats of the season. The Red and Black batmen tallied three runs to the Rams' four. In the lucky seventh the Huskies evened the score by copping two runs but the Rams scored one in the eighth to win the ball game.

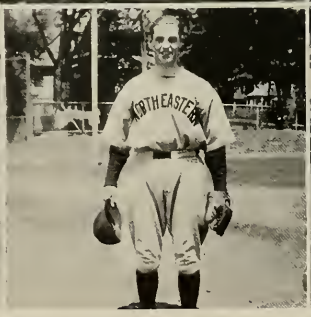
With "One Play" McCarthy on the mound and "Sonny" Irving behind the plate, Northeastern fell before the onslaught of an unusually strong B. C. nine, 10-6, at Huntington Field on the seventeenth of April. The score was five to five in the third frame; the Eagles collected two more runs in their half of the fourth while the Huskies tallied a lone run in their stanza. The ninth saw B. C. put the game on ice by batting in three more runs.

The Huskies journeyed to East Orange, New Jersey, on April 21, to meet a reputedly strong group from Upsala. This win, 20-0, was the Huskies' turning point and start toward their unparalleled string of eleven straight.

On returning to Boston Northeastern played host to the University of Maine at the home field April 25 and won, 5-4. The deciding marker was scored by Traynor who came in on Tedford's single. Kihs fanned five Maine batmen while Tedford shone with the pole by swatting out a triple.

One day later, Thursday, April 26, the Huskies hung up their third straight victory by edging the Colby Mules, 2-1, in an eleven inning game at the Kent Street field. McCarthy and Farnham pitched a formidable mound duel. Colby scored their lone tally in the second frame, the Huskies tying up the score in their stanza of the lucky seventh. In the eleventh inning Farnham, Colby pitcher, got himself into a hole by loading the sacks with Husky batmen without an out, and by passing three wide balls by Jachym at the plate. Regaining control he managed to put the ball over the plate for strike one. Again he hurled one down Jachym's alley and Jachym smashed the pill through shortstop to score Cahoon from third for the winning marker. So did the Pine Tree State Champions bow before the rampage of the Huskies.

On the following Saturday the Red and Black met their highly-touted neighbors the Tufts nine at Huntington Field and knocked Ray Woodworth from the mound



to win 9 to 4. Gallagher was moundsman for the Huskies and managed to fan five Tufts batters. Jachym pulled the cleverest steal of the game when he came home from third to register the final marker of the game.

With four straight wins under their belts, the Northeastern nine met and defeated the University of New Hampshire, 4-3, at home on the first of May. Jachym again displayed his prowess at the plate. Mayberry batted in the winning run in the eighth frame when he doubled to score McCarthy from third.

To collect their sixth victory, the Husky nine traveled to Worcester the next day to defeat Clark University 7-4. Cahoon, first Husky batter, hit the first ball pitched for a homer. Letourneau, pitching his first game of the season, hurled well. The visitors garnered their final two runs in the seventh on a pass and two singles.

On Saturday, the fifth of May, Coach McCoy took the Northeastern batmen to Lowell where they defeated the Textilers 9-1. With several substitutes in the line-up the Huskies kept the Weavers scoreless until the last of the ninth. Ralph Raymond made his debut for the Huskies by substituting for Gallagher on the mound in the sixth frame.

Playing Panzer College at Huntington Field, on Friday the eleventh, the Northeastern club batted out its eighth straight win to the tune of 12-5. Irving and Wignot were the heavy hitters, the former slamming out a double and the latter collecting a three bagger.

Worcester Tech was N. U.'s next victim, falling prey to the Husky clouters 16-5, on Saturday, May twelfth. Northeastern scored heavily in the second, fifth, and seventh frames by capitalizing on Tech's errors. Home runs were poled out by Irving and Gallagher. Irving and Jachym also smashed out one triple each to give the contest the appearance of a Husky holiday.

Following a postponement from the fifteenth to the seventeenth the Husky nine played host to that foe of foes, Little Rhody. The Red and Black finally established their supremacy and avenged their previous defeat earlier in the season by nipping the Rams 2-1 in an exciting and fast nine-inning game for the tenth straight win. Cahoon starred by scoring Tedford from third in the seventh to win the game. Gallagher and D'Entremont fought a brilliant pitchers' duel, both going the full distance. Jachym featured the hitting by pasting the pill down the first base line for a triple. This victory was the hardest-earned and best-deserved on the schedule.

Northeastern continued their game-winning streak to the close of the season by defeating the Middlebury Panthers 11-10 in a loosely played game on the nineteenth of May at the home field. Gillis slammed the horsehide for a homer to feature the batting.

So closed the season on the most brilliant record ever to be turned in by a Red and Black nine in the history of Northeastern sports.

RIFLE TEAM

NORTHEASTERN'S crack rifle team, under the enthusiastic guidance of Mr. Fennell, is in the midst of its fourth year of intercollegiate competition. During the first two years that the sport was on a competitive basis with other universities, the Husky sharpshooters found the going somewhat rough but nevertheless managed to turn in averages that showed a slight percentage of victories over defeats. Last season, which was the third year of the sport, the wearers of the Red and Black found the target with increased accuracy and regularity to chalk up a record of 12 wins as against two defeats. This is indeed a remarkable record when one takes into consideration the fact that the leading rifle teams in this section of the country were encountered. This year, genial Ray Fennell has undertaken an even more ambitious schedule for his charges; thus far they have come through with a record of three victories and two losses. With at least nine more matches still to come, Coach Fennell radiates with an optimism unusual to members of the coaching fraternity; he forecasts that his sharpshooters will finish the season with a record of twelve wins and two losses. This simply means that the Husky rifle team will go on a victory diet for the remainder of the year with all defeats taboo.

The Red and Black started off the year by bowing to the M. I. T. target shooters by the score of 892-877. Coach Fennell calls this one a heartbreaker. He also informed us that prior to its recent defeat by New York University, the Tech lads had won ten straight matches. The second match was contested with Yale at New Haven. This one was another closely fought affair that left both the team and the coach in a state of nervous exhaustion. The final result found the Huskies hanging onto the tail-end of 1309-1303 count. In its third match of the season, Northeastern traveled up to Durham, N. H. where they trapped the New Hampshire Wildcats in their lair and walked off with a 912-874 victory. The win was a sweet one from two different angles; first of all it was the initial victory of the season for the snarling Huskies and secondly their mark of 912 set a new range record for the Durham range. George Whelpley, the ace of the Husky sharpshooters, was the individual star of the match with a score of 100 prone and 95 off-hand. In the fourth match of the year, the Huskies tacked an 871-807 defeat onto Battery L, 241st Coast Artillery. In the last shoot to date, the boys beat Lowell Textile by the score of 856-799.

Captain "Stan" Thomas, "Ken" Knowlton, George Jepson, and "Maxie" Molthman have served three years on the varsity and will be lost to the team through graduation in June. Coach Fennell, taking pride for his boys who operate throughout the season without acclaim and without an audience, is banking on the following men to form his next year's aggregation: "Al" Brown, '37 E., "Johnny" Chipman, '38 E., "Al" Grassie, '36 E., John Alvord, '37 E., Bruce Garnsey, '38 E., and "Don" Ball, '37 E. All of these men are participating as regulars this year and will have just that much added experience under their belt by the time the 1935-36 season rolls over the horizon.

Privately Printed

The 1935 Cauldron is a fine example of a limited edition, privately printed.

The staff of this book and an increasing number of other private publishers have been turning to organizations which specialize in the production of fine brochures, magazines, and privately printed books. For more than a century The Andover Press has served such publishers, planning and printing class annuals, descriptive booklets, genealogies, and other quality publications.

NORTHEASTERN UNIVERSITY

DAY SCHOOLS

The three schools of the Day Division of Northeastern University are conducted on the co-operative plan. After the freshman year students may alternate their periods of study with periods of work in the employ of business or industrial concerns, at five-week intervals. Under this plan they gain valuable experience and earn a large part of their college expenses.

SCHOOL OF ARTS AND SCIENCES

Offers a broad program of college subjects serving as a foundation for the understanding of modern culture, social relations, and technical achievement. Varied opportunities available for vocational specialization. Degree: Bachelor of Science in student's major field.

SCHOOL OF BUSINESS ADMINISTRATION

Offers three curricula: Accounting, Banking and Finance, and Business Management. Each curriculum represents in itself a broad survey of business technique, different from the others chiefly in emphasis. Degree: Bachelor of Science in Business Administration.

SCHOOL OF ENGINEERING

Offers curricula in Civil, Mechanical, Electrical, Chemical, and Industrial Engineering. Classroom study is supplemented by experiment and research in well-equipped laboratories. Degree: Bachelor of Science with specification of the professional field of study.

EVENING SCHOOLS

Admit Men and Women

SCHOOL OF LAW
